

Open Studios/ Art Trail - 2018

SEAS Open Studios/ Art Trail is run almost concurrently with the Deal Festival of Music and Arts, during which time artists welcome the public to view their work **over two compulsory**

weekends; Sat 30th June - Sun 1st July and concluding on Sat 7th - Sun 8th July 2018.

We will again be hiring the Astor and have the Angling CLUB available too, if artists feel they'd like to be more central or, for a variety of reasons, can't open their studio.

This year we are again optionally incorporating additional events to our Open Studios (see section D and F) so please fill in appropriately. The artists who organise Open Studios operate in an unpaid and voluntary capacity. The smooth running of the event therefore relies on all the artists taking part in helping us.
